14th European Nutrition Conference
Preliminary Pre-Conference Satellite
PROGRAMME
Monday 13th November 2023

Time 12:30 – 14:00

Room 9
Organised by Serbian Chamber of Commerce and Ministry of Health of Republic of Serbia

Project Strive for Balance
Open access to all conference delegates

Time 14:00 – 15:30

Room 13
Organised by The European Food Information Council (EUFIC)

Carlos Abundancia, EUFIC: Training school on scientific communication

This session provides a broad overview of the essential elements of science communication, including its definition, significance, and evolution. Participants will gain insights into best practices of effective science communication, including key components of a well-structured communication plan. This informative session intends to raise awareness of the elements that go into good science communication and equip attendees with the essential knowledge to engage with their audiences more effectively.

Max 100 participants. Pre-registration is recommended. Pre-registration will be opened on November 1st.

Time 15:30 - 17:00

Room 9
Organised by The European Public Health Nutrition Alliance (EPHNA)

EPHNA Annual Meeting
For invited participants only.
Room 11
Organised by Communities on Food Consumer Science (COMFOCUS)

Workshop: Why we eat what we eat: Better understanding of healthy eating patterns in practice

Explore the future of food behavior research! Join our COMFOCUS workshop for insightful presentations and discussions:

1. Harmonisation of measures by Dr Ellen van Kleef; can harmonisation of self-report measures improve quality of research or kill creativity?
2. Opportunities and hurdles of physio-physical measures for understanding eating behaviour and data integration by Dr Harold Bult
3. Better collaboration and data integration: complying with principles for FAIR and Responsible Research and Innovation (RRI) practices by Prof. Dr Lada Timotijevic

Max 50 participants. Pre-registration is recommended. Pre-registration will be opened on November 1st.

Room 13
Organised by DSM-Firmenich

Workshop: Exploring the way to healthier foods and beverages, an interactive workshop

- Unlocking new consumer behaviours
- Setting standards for labelling & nutrition
- Co-creating nutritious, delicious and sustainable foods & beverages
- Wrap-up

Max 75 participants. Pre-registration is recommended. Pre-registration will be opened on November 1st.
